

HOW TO TREAT

The HTT is the international special edition for professional prosthetist and orthotist exclusively for the world congresses "OTWorld" and "ISPO Worldcongress". The HTT is a special issue with articles specifically for practitioners of technical orthope-

dics. The special edition will be published at the World Congresses of ISPO International and OTWorld – in close partnership with the organizing associations. Congress Presidents and representatives of the respective Congress Committee sit on the Editorial Board.

EDITORIAL CONCEPT:

It summarizes priorities of orthopedic technology that are of general international interest. In addition, special focal points for the respective market are taken up. The Editorial Board consists of experts from ISPO / German OT, international experts and regional experts. HTT will be strongly oriented towards the craft and the practical, orthopedic-technical supply.

GENERAL BUSINESS TERMS AND CONDITIONS

I. General:

1. These general business terms and conditions apply for all our offers and services.
2. Deviating general business terms and conditions of the customer shall not apply and are not accepted, even if we do not expressly object to them.
3. There are no verbal (or phone) agreements.

II. Contract conclusion and content:

1. Taking an order by branches, publisher representatives or other points of acceptance does not constitute acceptance of the order. A contract is concluded only when acceptance is declared separately.
2. It is not possible to exclude a customer's competitors.
3. Unless other arrangements have been made, advertisement orders (print) have to be settled within two months after the contract is concluded.
4. If we are unable to carry out advertisement orders on time or at all due to force majeure, either we or the customer may withdraw from the contract. In general, after the contract has been concluded, cancellation by the customer is not possible.
5. Customers' positioning requests (regarding specific positions in a printed edition) constitute merely non-binding information that is not an integral part of the contract. While we attempt to meet the customer's positioning requests as far as possible, this cannot be guaranteed.
6. Artwork and files have to meet the requirements specified in the „Technical Data“ so that the advertisement is reproduced properly. Unsuitable or corrupt artwork/files will be returned to the customer.
7. Advertisements which due to their design are not recognisable as such will be clearly marked with the word „Anzeige“ (advertisement) by the publisher.
8. If artwork, files or advertising texts are not submitted by the customer by the agreed date, we reserve the right of refusal.
9. No binding colour proofs will be made available. Proofs sent by e-mail must be reviewed by the customer for correctness and returned with corrections within 3 working days. Otherwise approval for printing is deemed to have been issued.
10. On request, the publisher shall deliver a free specimen copy with the printed advertisement upon publication of the advertisement.
11. For every box number advertisement, the publisher will assign a box number, which will be shown in the advertisement instead of the customer's name. For box number advertisements, the publisher will exercise the care and diligence customary in business relations when receiving, safekeeping and forwarding received mail. Letters to the customer will be forwarded exclusively via regular mail. For this service, a box number fee as per the price list will be charged. The publisher reserves the right to open and inspect incoming offers to eliminate misuse. The publisher is not obliged to forward promotional materials or offers.
12. The customer agrees to observe the applicable laws in designing the advertisement and to ensure that no third-party rights of any kind are violated. Should the customer subsequently note that the advertisement violates applicable laws and/or third-party rights, the publisher must be informed of this immediately. The customer agrees to indemnify the publisher from all third-party claims arising from illegality of the advertisement and/or the violation of third-party rights. In particular, this obligation also encompasses indemnification from all legal fees and court costs that may be incurred for legal defence.

III. Subscriptions:

1. Subscriptions are initially for one year. The period of notice for cancelling subscriptions is 8 weeks before the end of the term. A written notice (letter, fax, e-mail) of cancellation must be sent to the publisher.
2. The start of delivery is the date specified in the order if the order has been received by the publisher in time (10 days in advance). For orders without a specified date, delivery shall commence as soon as possible.
